

ABOUT THE DEPARTMENT

It is more than 125 years old Department and is known by the names of its past Heads, Dr. E. R. Tweedy (1946-1952), Mr. E. H. Chowfin (1952-1968) and Dr. W. E. Bauer (1968-1993). The department started post-graduate classes in 1997 and have produced number of university position holders. Department is also involved in research in the area of Heterocyclic Chemistry, Kinetics, Medicinal, Computational, Carbohydrate and Nano Chemistry and has published number of research papers in National and International Journals.

ABOUT THE INSTITUTION

Lucknow Christian College is a Premier Institution of the Methodist Church in India (MCI). The College is one of the very few institutions in the state where the emphasis is on creating good and responsible citizens rather than only high academic score.

Over a period of 155 years of its existence, the College has contributed immensely to the Indian society with its alumni comprising academicians, politicians, bureaucrats and other distinguished citizens.

Today the College offers post-graduate courses in Chemistry and English and is planning to open post-graduate courses in Physics, Botany, Commerce and Physical Education. The college is already running undergraduate courses in the faculties of science, Commerce, arts and Physical Education.

Lucknow Christian College attracts students from all walks of life. The students come from diverse social, religious and economic backgrounds. There is complete integration of all students who become a part of LCC fraternity. Lasting friendships and enduring associations are fostered on the campus. There is a healthy interaction between the student body and the college staff. Students are expected to strive for and maintain high standards of scholarship conduct and discipline and must cooperate in fulfilling the educational mission of the College.

ABOUT LUCKNOW

Lucknow, the state capital of Uttar Pradesh, is known for its Hindu-Muslim Tahjeeb and culture. Lucknow is just a dot on the world map, but its sophisticated and refined culture, evolved over the years, has contributed considerably to the composite Indian culture. In fact, though this culture originated with the Mughal dynasty, which ruled from Delhi, it was promoted, patronized and taken to its zenith by the rulers of Awadh, better known as *Nawabs of Lucknow*. The lovely monuments of the city compel one to feel and relive the elegant lifestyle of the nawabs, these are Bara Imambara, Chhota Imambara, Baradari, Chhattar Manzil and many more. Lucknow is also known for its Chikankari and Zardozi work as well as for its Awadhi Cuisines. It is well connected to all the Major cities of India by rail, road and air. Lucknow is also a heaven for academicians and scientists having number of Universities (state, central and private), CSIR laboratories and other institutes. The weather in the month of November will be very pleasant.

MOTTO OF THE COLLEGE
“OMNIA AD DEI GLORIAM”
“All to the glory of God”

National Seminar
on
“Paradigm Shift in Chemical Sciences”
November 8-9, 2017

Organized by
Department of Chemistry

LUCKNOW CHRISTIAN POST-GRADUATE COLLEGE
Golaganj, Lucknow-226018
www.lcdc.edu.in

It gives us great pleasure to invite you to two days National Seminar on "PARADIGM SHIFT IN CHEMICAL SCIENCES" organized by the Department of Chemistry, Lucknow Christian Post-Graduate College, Lucknow.

ABOUT THE SEMINAR

The seminar will provide an appropriate forum to students, researchers and academicians to have deliberations on different topics and share their ideas.

Further, it also gives opportunity to faculty and students to get familiar with respect to recent developments in research in Chemical Sciences.

SUB THEMES

- Organometallic Chemistry
- Synthetic Organic Chemistry
- Polymer Chemistry
- Nano Chemistry
- Computational Chemistry
- Green Chemistry
- Spectroscopy
- Electrochemistry
- Kinetics
- Medicinal Chemistry

CALL FOR PAPERS

Abstracts (up to 150 words, MS-word format with Times New Roman font, 12 point size, and 1.5 line spacing) are invited in the areas related to the theme for oral as well as poster presentations. The name (s) and address should follow the title of the Abstract. The Principal author should be marked with an asterisk (*) and the author who would be presenting the paper should be underlined. The Poster should be of 1 x 1 meter size in eye catching and self explanatory form. For oral presentation computer and LCD facility will be provided by the organizers.

DATES TO BE KEPT IN MIND

- Abstract should reach to Organizing Secretary October 10, 2017
(via e-mail: LCCChem17@gmail.com)
- Intimation regarding acceptance of paper October 20, 2017
- Registration November 05, 2017
(Along with registration form to Organizing Secretary)

Registration Fee

Academician
(Local)

Rs. 1000

Students/ Research Scholars
(Local)

Rs. 600

Academician
(Out station)

Rs. 2000

Students/ Research Scholars
(Out station)

Rs. 1200

The registration fee includes Proceedings, Conference kit, tea and Lunch. The accommodation will be provided to out station delegates.

MODE OF PAYMENT

The registration fee can be paid either in cash or by a demand draft of any nationalised bank in favour of "Principal, Lucknow Christian Degree College, Lucknow" payable at Lucknow.

ORGANIZING COMMITTEE

Bishop Dr. Philip S. Masih

Chief Patron

Prof. (Dr.) R. R. Lyall

Patron

Prof. (Dr.) Mukesh Pati (Principal, LCPGC, Lko)

Chairman

Dr. Renu Gupta, Head, Dept. of Chemistry (Convenor)

09415049404

Dr. Nisheeth Rastogi (Organizing Secretary)

09451902110

Mr. Mayank Joseph (Co-Organizing Secretary)

78804274

Dr. D. J. Godin (Member)

Dr. B. S. V. Prakash (Member)

Mr. Arvind Sharma (Member)

Mr. S. S. Cooper (Member)
